Access controller

Model No.:	MOQ	USD	FEATURE	Picture
F2			1 Metal access fingerprint recognization ;	
			2 Waterproof upto IP65;	
	samples	**39.9**	3 Local capacity: 200-500 fingerprint templates;	
			4 Standalone fingerprint access controlsandfingerprintreader;	
	300	**38**	5 Attractive outlook and compact module design	
	500pcs	**36**		95mm∗56mm∗35mm
F3			Metal fingerprint access reader	
			Capacity:1000 fingerprints ,2000cards users.	
	samples	**55**	Can be used as wiegand reader	
	50pcs	**52**	Can connect extra readers	
	100pcs	**49**	2 units can be interlocked	
	500pcs	**46**		115mm∗70mm∗35mm
Model No.:	MOQ	USD	FEATURE	Picture
A2	**sampl**	**17.9**	EM Access control	
	100	**16.9**	Support 1000users	
	300	**15.9**	Add or delete card by master cards	
	500	**13.9**	White/Black color	
K2	**Samples**	**12**	Standalone keypads&RFID	
	100	**9.9**	capacity :500 cards or password;	
	500	**9.3**	multi-style users,dual-code day/night mode	
			built-in bell control	
			With anti-dismantle alarm	
			Memory, and can keep 500 cards and 510 the user's password	

Model No.:				
A5	sampl	13	Has three ways to open the door.Cards, passwords, card add	
	100	12	No card, you can set a password to open the door	
	200	11	With a doorbell button, and Button to open contact	
	500	9		

Model No.:	MOQ	USD	FEATURE	Picture
FC-2011	samples	53	Door　　control 1	
	50pcs	47	Reders　can be　　connected　2 pcs	
	100pcs	45	Control of Memory up to 20,000 Users
